

Oktoberfest at South Street Seaport

Sep 17 — Oct 2, 2016

For three consecutive weekends this fall, Watermark Bar on Pier 15 at South Street Seaport is transformed into an Oktoberfest fete that feels straight out of Munich. From noon to midnight on each day of the event, experience the authentic décor, music, contests and games that are reminiscent of an authentic German celebration, along with steins of beer and traditional foods like bratwurst and pretzels. In addition to games of beer pong, cornhole and stein-holding competitions, the event will also feature family-friendly activities like bubbles for the kids and face painting. Admission to Oktoberfest is ticketed but free, available on [Eventbrite](#); additional food and beverage tickets can be purchased at booths on-site.
