

7 Places to Celebrate Oktoberfest in NYC

Oktoberfest kicked off this past weekend. Here's where you'll want to celebrate:

4/7

Watermark Bar

78 South Street

This year, Pier 15 is being transformed into the ultimate Oktoberfest destination thanks to Watermark Bar. The traditional keg tapping will take place every weekend throughout the festival and welcome a guest tapper each time. Two-hour unlimited tasting packages are available, and there will also be traditional Oktoberfest décor, food, beer, live music, stein holding contests and games. This one is also family friendly.
