

## The Bucket List • September 2017 • NYC Edition

The sun is setting on the dog days of summer as fall is quickly approaching in New York City. Binge-watchers rejoice as Paleyfest and the very first Tribeca TV Festival unveil some of the hottest television shows to hit the small screen this fall. Huge musical artists including Ed Sheeran, Paul McCartney, Depeche Mode and the Jay-Z fronted Meadows Music and Arts Festival hit the city this month. If you are looking to fill your appetite, feast on samplings from the country's best new eateries at Bon Appetite's A Night with America's Best New Restaurants. Whatever you're looking for, The Bucket List has you covered.
